

TMSO
TMSOS

USE:

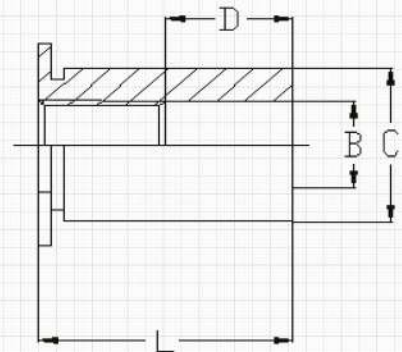

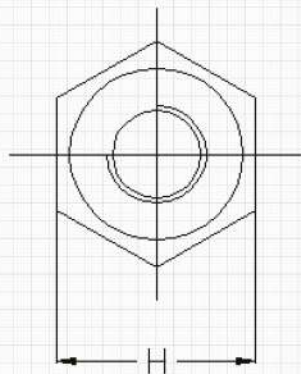

TMSO, pressing into steel sheet of max. hardness HRB 80
TMSOS, pressing into steel sheet of max. hardness HRB 70

Order Examples:

TMSO-M4-8ZI, internal thread M4, total length 8mm, zinc-plated steel
TMSOS-M5-12, thread M5, total length 12mm, stainless steel A2 serie 300

IMPORTANT NOTES

- All stated dimensions are in mm
- Data modification reserved without prior notice
- A special type TMSO4 is designed for stainless steel HRB 90
